Starting prices for a typical scope; each project receives its own fixed quotation. The full service catalogue lists what each service includes and excludes.

Key Terms

- **Payment:** software builds under ₱30,000 are paid 50% on signing and 50% on launch; ₱30,000 and above are paid 40% / 40% / 20%. Creative work is paid 50% on signing and 50% on delivery.
- **Free systems (I1, I6):** no build fee; 2% of recorded bookings or sales each month (minimum ₱500), 12-month minimum term, and the system runs while the plan is active.
- **Running costs:** domain, hosting beyond free tiers, email sending, and payment fees are paid directly to the provider with no mark-up.
- **Warranty and support:** 30 days of bug fixes after every launch; critical bugs fixed within 4 hours during support hours (8 AM to 8 PM daily) under the Infinite Plan.
